CO-OP TRAINING

CO-OP TRAINING REQUIREMENTS:

- All trainings are subject to approval
- Once training is approved and scheduled, additional documentation will be required

To Schedule All Co-Op Training:

E-MAIL Training Request Form (located on our website HERE)

FireTrainingAcademy@wsp.wa.gov

LIVE FIRE TRAINING REQUIREMENTS:

- Submit Live Fire Action Plan
- Submit Student, Instructors & Staff Roster

Fire Control I Training

Fire Service Costs: ***$1,501.00*** *plus consumables*

Outside Fire Service Costs: ***$1,878.00*** *plus consumables*

*1/1/2022 to 12/31/2022

Description: This training typically introduces new firefighters to fire behavior labs and development of water application principles in order to effectively extinguish Class A fires. This training should provide firefighters with skills necessary to function as the nozzle operator of an interior fire attack team. This Co-Op Training includes use of our Burn Building and Pole Shed. Consumables typically include pallets and OSB. Consumable quantities will vary based on department/agency use

Instructors: Departments/Agencies scheduling this type of training must provide enough certificated co-op instructors to meet a 1 instructor to 5 student ratio. In addition, the Fire Training Academy will provide 3 State Certified Contracted Instructors to support training, but they may not run as lead nor count towards the 1 to 5 ratio

Multiple Company Operations Training
(Burn Building Use)

Fire Service Costs: ***$850.00*** *plus consumables*

Outside Fire Service Costs: ***$1,063.00*** *plus consumables*

*1/1/2022 to 12/31/2022

Description: This training typically covers fire evaluations and development of water application skills/techniques in order to effectively extinguish Class A fires. This training should provide firefighters with skills necessary to function as an interior fire attack team. This Co-Op Training includes use of our Burn Building and Pole Shed. Consumables typically include pallets and OSB. Consumable quantities will vary based on department/agency use

Instructors: Departments/Agencies scheduling this type of training must provide enough certificated co-op instructors to meet the 1 instructor to 5 student ratio. In addition, the Fire Training Academy will provide 3 State Certified Contracted Instructors to support training, but they will not perform the duties of live fire instructor nor count towards the 1 to 5 ratio
