Dear

It was great having the opportunity to attend the Kiwanis Law Enforcement Youth Camp at the state Patrol Academy in Shelton July 20-26, 2011.

Some of my favorite classes were Dive Tank and K-9. I Learned that it takes a lot to be a police officer in any ~~fa~~ angency, as well as learning that once you are in a police force you have a lot of options for things you can do. One thing I hadn't thought about was becoming an animal control officer, but now I am considering it.

I am thankful for everything police officers everywhere do, and thanks to this camp I have a better understanding of it all.

Thank you for supporting me financially and making this possible.

Sincerely,

Adam Pais
