

CURRICULUM VITAE

Lieutenant Bruce A. Maier

811 East Roanoke Street, Seattle, WA 98102 | 206-720-3018 x24119 | bruce.maier@wsp.wa.gov

I am currently The Impaired Driving Section (IDS) Commander since April 16, 2019. I oversee the Statewide Drug Recognition Expert / Standard Field Sobriety Testing (DRE/SFST), Ignition Interlock (IIP) and Breath Test (BTP) programs. I was previously one of two IDS Breath Test program BTP Sergeants. I was a certified Breath Test Technician and directly supervised Commissioned Troopers and Forensic Scientists that are certified Breath Test Technicians who provide breath alcohol calibration services for all statewide criminal justice services. This includes the calibration, verification, maintenance and operation of the breath test instruments used throughout Washington State. In addition, the technicians provide all basic and refresher training for breath test instruments and provide expert court testimony, legal discovery and data analysis.
