To maintain my status as a Breath Test Technician back-up, I participate in the annual certification of the instruments. I conduct the Quality Assurance Procedure (QAP) on at least one of the BACs within the local area and conduct the proficiency test on that instrument. I have conducted the basic and BAC refresher courses to the local law Enforcement Officers in Walla Walla, Tri-Cities, and Columbia and Garfield County agencies. I conducted the Draeger familiarization classes in Walla Walla, Columbia and Garfield County to the local Law Enforcement Agencies. I have testified in court on behalf of the Breath Test Section.
