

Dear Sgt. Sager,

This letter is in regards to the Law Enforcement Camp in July 2004. My name is Steve Beck or Cadet Beck. Sorry this is so late, but I still wanted to thank you again for running the Camp. It was an awesome experience, I am currently with the Montesano Police Department as an explorer. I wanted to go to the camp to learn new things and I did. I definitely still am going into Law Enforcement that camp gave me a good feel of what its really like at the academy and what choices there are. One of the things that enjoyed was having the k-9 officer come in to class, because I plan on pursuing in having a dog. I'm going to try to get some other explorers to go to the camp this year. Everything about the camp was very useful to me and I thought everyone was very professional while having fun at the same time, so to you and everyone else that helped out with the camp, I just wanted to say good job. And like Cadet Lowrance said, congrats on making Sgt. you deserve it a lot. Hope to keep in contact with you in the near future thanks again.

Sincerely,

Cadet Beck
