### Cities and Counties With Bans and Restrictions

The following is a list of cities and counties with more restrictive fireworks laws or ordinances. The jurisdiction has either banned use and/or sale or has a more restrictive sales period. This information should be used as a starting point. Contact your local police or fire department to inquire about local rules, ordinances, and laws before purchasing or using fireworks.

### Corrections

If you find information that is not correct, please e-mail the change to [Fireworks@wsp.wa.gov](mailto:Fireworks@wsp.wa.gov).

### How to Read the Chart

If the **Ban or Restricted** column has the word:

- **None** — The jurisdiction follows the State Law (see above).
- **Restricted** — The jurisdiction has restricted either the **Sales Period** and/or **Discharge Period**. If only one column has dates and times, it only applies to that period. The other period follows the State Law. If there are dates and times in both, then both are restricted.
- **Banned** — The jurisdiction has banned both the Sales and Discharge of fireworks.
