The information provided in this document is made available by the Fire Protection Bureau to assist fire authorities, government agencies, the general public, and regulated entities in identifying individuals certified as Fire Sprinkler Certificate of Competency Holders and to assist all in complying with the states fire sprinkler law, regulatory rule, and all associated regulations.

Under the state public records law, lists of individuals may not be used for any commercial purposes [R.C.W. 42.56.070 (9)]. Therefore, the names and addresses of individuals, including sole proprietors and partnerships, contained in this document may not be compiled and used for any commercial purpose.

"Commercial purpose" means using or intending to use information for the purpose of facilitating a profit-expecting business activity.
