

Do you want to be in the KNOW for all things ACCESS related?

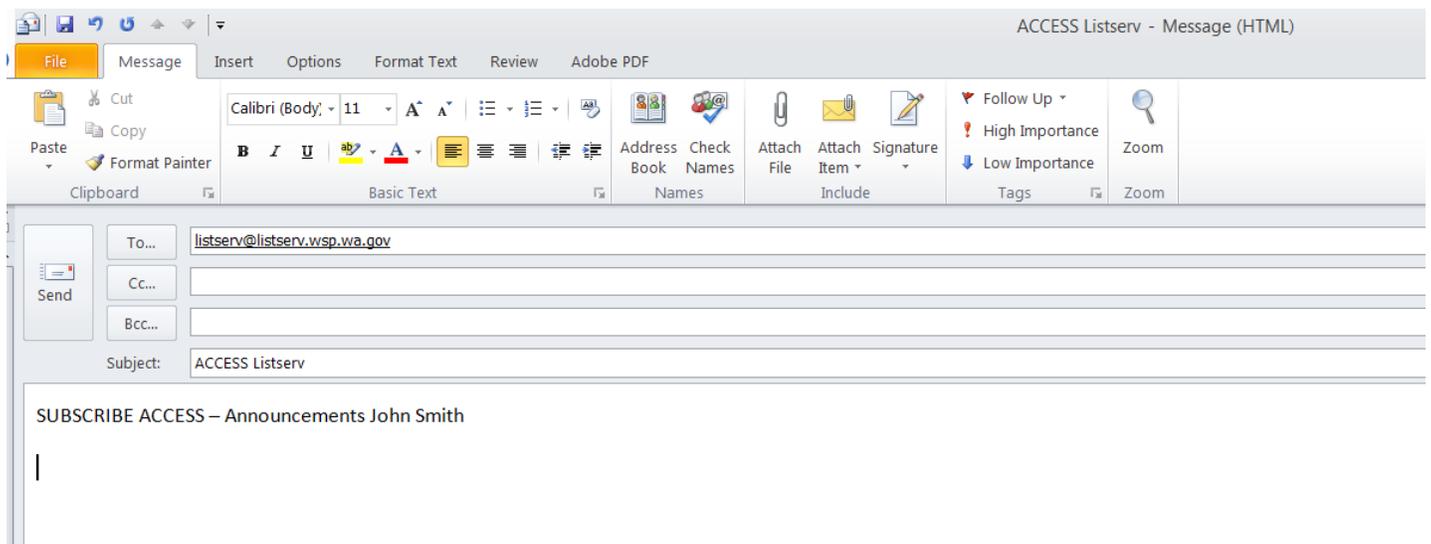

JOIN THE ACCESS LISTSERV

The ACCESS Section has an ACCESS Listserv for ACCESS users (other than the TAC's and IT point of contacts). If you are interested, you can sign up to receive ACCESS Announcements. Some examples of announcements are:

- ACCESS outages
- Manual updates
- New laws affecting ACCESS users
- DOL information

To subscribe to the list, send an email (from your valid work email address) to listserv@listserv.wsp.wa.gov with the following text in the body of the email (the subject of the email doesn't matter): SUBSCRIBE ACCESS-Announcements Firstname Lastname

NOTE: You must replace Firstname with your first name and Last name with your last name; for example: SUBSCRIBE ACCESS-Announcements John Smith

Make sure to delete all text from the body of the email, including the signature text, if you have one. A confirmation email will be sent, to which you must reply "OK" to confirm your subscription to the list. Once subscription is accepted, you will receive a message letting you know that your subscription has been accepted.

To unsubscribe from this list, send an email to listserv@listserv.wsp.wa.gov containing "SIGNOFF ACCESS-Announcements" text in the body of the email.
