INTRODUCTION:

I, Trooper Brianna Jaramillo, am currently a fully commissioned State Trooper for the Washington State Patrol in Bellevue. I have been employed with the Washington State Patrol since January 10, 2014. I was commissioned May 13, 2015. I have graduated and completed the Washington State Patrol Trooper Academy, the Drug Recognition Expert School, I am a Standardized Field Sobriety Test instructor, a Drug Recognition Expert instructor, and a BAC Technician.

I am currently assigned as a Breath Test Technician/Trooper in District 2, Bellevue. I have been employed with the Washington State Patrol for over ten years. As a Breath Test Technician my responsibilities include court testimony, custodian of records for the instrument, instruction on the Draeger Alcotest 9510/PBT/SFST's, and maintenance of the instrument.

I have completed the following training: Advanced Roadside impaired Driving Enforcement (ARIDE), SFST instructor school, DRE-Pre School, Full DRE Seven Day School, BAC school, and DRE instructor school.

EXPERIENCE:

EDUCATION

- Dexter High School Class of 2010 (New Mexico)
 - Graduated in National Honor Society
 - Graduated with Honors – Top ten in my class
 - Lettered in Varsity Sports 5 years in a row (drafted from 8th grade to play Varsity)
 - EMT Basic class (College Class)
 - Nursing Assistant (College Class)
- Roswell New Mexico Community College (New Mexico)
 - Associates degree in General (art) Studies with an emphasis in Psychology and Sociology

- Army National Guard 2010 – 2016
 - EMT Training and certification
 - Certified NREMT
 - Combat Medic
 - CPR Trained and certified

EMPLOYMENT

May 2010 – August 2010: United States Army Basic Combat Training: A ten week school in basic tactical and survival skills. To learn the basics of Army life and military customs to include the seven-core army values.

August 2010 – December 2010: Combat Medic Specialist (68W): A 4.5 month intense hands on and classroom training. Required to complete and pass the National Registry Emergency Medical Technician class and certification. The combat medic is responsible for providing medical treatment on the battlefield and/or during training and missions. Job duties include: Patient Care techniques, emergency medical techniques, advanced medical care, and plaster-casting techniques.

January 2011 – May 2013: Assigned to the 920th Engineer Company in Roswell, NM. I was their sole primary medic in the unit. I was expected to give aid and medication as needed during training. I also taught and instructed other soldiers about basic aid and “buddy care.”

May 2013 – February 2016: Assigned to the Alpha Company Recruiting and Retention Battalion (RRB). I was a medic as well as a Cadre. I was instructed to teach soldiers basic military procedures prior to Basic Combat Training. I was also the sole medic and provided care as needed during training.
