Reservation Guidelines			
Services and supplies provided: The Office of the State Fire Marshal will transport the fire sprinkler trailer to your location, provide a presenter, a sprinkler head for each demonstration, and materials for the event. Our staff will operate and perform the fire sprinkler demonstrations.			
Local jurisdictions are required to provide: At least one person to provide assistance with the residential sprinkler demonstration trailer for the duration of the event.			
Demonstration announcements: Demonstrations times can be scheduled in advance or upon arrival. To attract an audience it is a good idea to announce the demonstration times.			
Road conditions: Access with adequate clearance to prevent high centering.			
Parking conditions: Level parking area with a hard compact surface (rock, asphalt, concrete).			
Signature of Person Requesting the Trailer:			Date:
