Updated Kids Fireworks Activity Book Available

Olympia – The Washington State Fire Marshal's Office (SFMO) has released an updated activity guide to assist parents in teaching kids about the safe and responsible use of fireworks.

Of the fireworks-related injuries reported in Washington State in 2019, 28% involved children under the age of 14. The SFMO believes that helping parents teach kids about firework safety can help to reduce injuries this year.

The guide features fun activities, puzzles, and facts about firework safety that will entertain and educate kids about staying safe this Independence Day. The updated activity book is available at <http://www.wsp.wa.gov/fireworks/>.

Be Prepared – Be Safe – Be Responsible

For more information about fireworks safety visit <http://www.wsp.wa.gov/fireworks/> or call (360) 596-3929.

The State Fire Marshal's Office is a Bureau of the Washington State Patrol, providing fire and life safety services to the citizens of Washington State including inspections of state licensed facilities, plan review of school construction projects, licensing of fire sprinkler contractors and pyrotechnic operators, training Washington States firefighters, and collecting emergency response data.
