

**STATE OF WASHINGTON**  
**Washington State Patrol**  
**SOLE SOURCE POSTING**

The Washington State Patrol contemplates awarding a sole source contract to QIAGEN to provide 2 additional EZ1 Advanced XL BioRobots.

It is necessary to contract non-competitively QIAGEN to provide 2 additional EZ1 Advanced XL BioRobots-1 each for use in the CODIS Lab and Tacoma Crime Lab since these are the instruments the Washington State Patrol Crime Laboratory Division exclusively uses for DNA extraction/purification in these laboratories. QIAGEN is the only vendor of these DNA Extraction BioRobots that have been validated for forensic DNA testing by the Washington State Patrol Crime Laboratories (WSPCL). QIAGEN is the only vendor that can offer warranty service and maintenance on the instruments they provide.

The contract will be issued on or about July 31, 2020. The dollar value is estimated at \$120,409.9.

Offerors contemplating the above requirements are required to submit capability statements detailing their ability to meet the state's requirements July 21,2020 This contract is for 2 EZ1 Advanced XL BioRobots.

In the absence of other qualified sources, it is the state's intent to make a sole source award of the contract.
