WSP Seeks Witnesses to Crash Caused by Lost Metal Debris

Snohomish County – On Sunday morning October 11, 2020 at approximately 6:30a.m., Washington State Patrol (WSP) troopers responded to a collision northbound Interstate 5 (I-5) just north of 164th Street in Lynnwood. The collision was caused by a large piece of metal debris that was lost by a pickup truck; the truck did not stop and continued driving northbound. A Hyundai Elantra and an Infinity QX4 struck the metal debris causing significant damage to both vehicles.

WSP troopers are seeking any additional witnesses surrounding this collision. We are also asking for anyone who was traveling through the area between 6:20a.m thru 6:45a.m. and has dash-cam video to please review the recordings. We have information that the truck possibly pulled over to the right shoulder after losing the debris. If you know about this collision or have any information regarding the truck that lost the debris, you are asked to call or email Trooper Dawn Ferrell at (509) 607-0052 or dawn.ferrell@wsp.wa.gov.
