SIIR Spokane Police Officer Involved Shooting

On January 24, 2022 at about 1248, the Spokane Police Department was called to a domestic dispute at 2423 E. Desmet Avenue in Spokane. Upon the officers' arrival, they discovered that the suspect had taken a small child hostage by knifepoint. Officers attempted contact and the suspect fled up a stairwell with the child. After unsuccessful attempts at de-escalation and with the suspect threatening to light a fire, officers advanced to the top of the stairwell. Two officers shot the suspect striking him several times. Officers rendered aid but the suspect died as a result of injuries sustained. The child was uninjured. A knife was found next to the suspect's body as well as a can of liquid accelerant.

The Critical Incident protocol was enacted and the Spokane Independent Investigation Response (SIIR) team was called to investigate. Washington State Patrol Criminal Investigation Unit (CIU) members responded as members of the SIIR. WSP will be the primary investigators for this incident with the Spokane County Sheriff Office assisting. WSP Crime Scene Response Team (CSRT) also responded to process the scene. Community representatives and a family liaison have been identified as required by WAC 139. The investigation is ongoing.

force in the capacity of his or her law enforcement duties. These updates are required even if no new information is available at the time of the update.
