**Fire Sprinkler Training Courses For 2024**  
Two Day Courses Require Attendance Both Days

**All Classes Are Offered at No Cost – Register at: <https://www.surveymonkey.com/r/HKBVTCP>**

| Class Title |  | Training Hours | Date              | Time     | Location |
|-------------|--|----------------|-------------------|----------|----------|
| 1           | Introduction to Fire Sprinkler Systems                     | 4              | February 7, 2024  | 8am-12pm | Online   |
| 2           | NFPA 25 – Inspections, Testing, & Maintenance Overview     | 4              | February 7, 2024  | 1pm-5pm  | Online   |
| 3           | Fire Sprinkler Systems Requirements for Storage            | 8              | February 21, 2024 | 8am-5pm  | Online   |
| 4           | Internal Piping Assessments and Obstruction Investigations | 4              | March 6, 2024     | 8am-12pm | Online   |
| 5           | Fire Service Mains and their Appurtenances (NFPA 24)       | 4              | March 6, 2024     | 1pm-5pm  | Online   |
| 6           | Seismic Protection to Fire Sprinkler Systems               | 8              | March 13, 2024    | 8am-5pm  | Online   |
| 7           | Introduction to Special Hazard Fire Suppression Systems    | 8              | April 3, 2024     | 8am-5pm  | Online   |
