The Washington State Fire Marshal's Office is providing safety tips to keep you and your family safe when it comes to carbon deaths from carbon monoxide poisoning. The Washington State Fire Marshal's Office is providing safety tips to keep you and your family safe when it comes to carbon monoxide. [Learn more here.](#)

**Ensuring safety when using matches and lighters**

**LEARN TIPS** - The Washington State Fire Marshal's Office is offering safety tips to keep your family safe when using matches or lighters. [Learn more by visiting here.](#)

**DO YOU HAVE STORIES YOU WANT TO SHARE?**

**SEND THEM IN** - We strive to highlight the amazing work across the agency. If you have something happening in your division or district you would like to see highlighted in a future edition of *The Milepost*, please e-mail [pio@wsp.wa.gov](mailto:pio@wsp.wa.gov).

**Greenwater community shows public support for injured Enumclaw trooper**

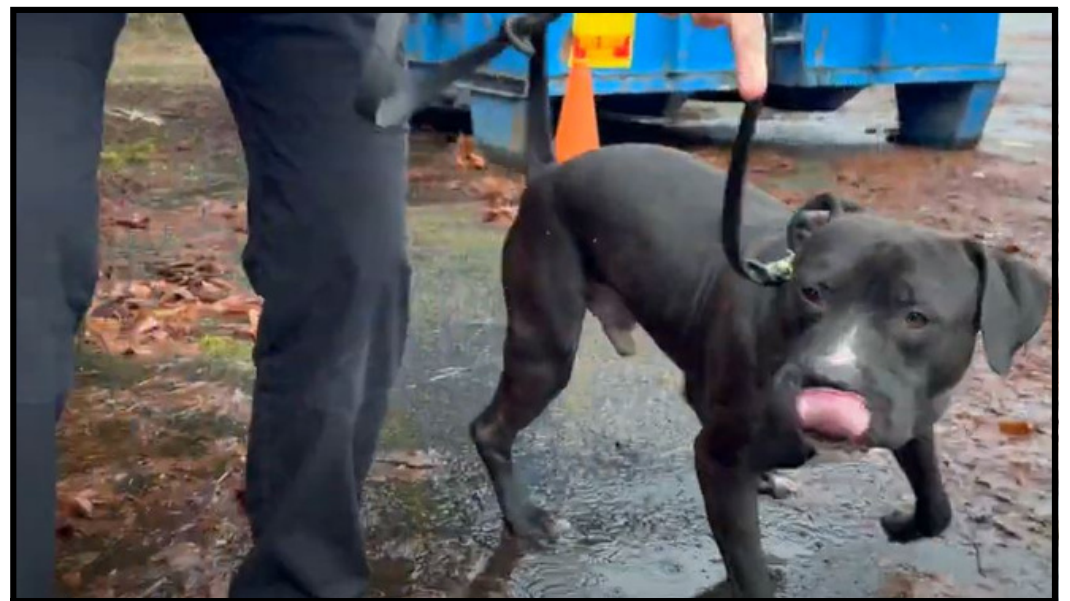

**GREENWATER, Wash.** - Folks from the community of Greenwater made cards for our WSP trooper who was seriously injured during a shooting in Kent last month. We appreciate the community's outpouring of care and support as our trooper continues to heal.

**WSP's 1st ever lateral class begins**

**OLYMPIA, Wash.** - This week we welcomed the members of the Washington State Patrol (WSP)'s first ever lateral class. These officers are beginning training to soon become troopers. Their compressed training course will take place over the next three months. We welcome them to the agency, and are looking forward to seeing their historical journey unfold within our agency.

**WSP K9 Stories: Shadow**

**BELLEVUE, Wash.** - Learn about one of the Washington State Patrol's newest canines - Shadow. Along with several other explosive K9 teams, Shadow graduated at the end of last month after completing around 400 hours of training with his handler, Trooper R. Moss. [Learn more about Shadow here.](#)
